Line 30425 – Canada caregiver amount for spouse or common-law partner, or your eligible dependant age 18 or older

If you can claim an amount for your spouse or common-law partner on line 30300 of your return or for an eligible dependant 18 years of age or older on line 30400 of your return, you may be able to claim an amount on line 30425 of your return. However, you must first claim the amount of \$2,273 in calculating either the amount on line 30300 or the amount on line 30400, whichever applies.

To claim an amount on line 30425 of your return, you must **first** calculate your spouse's, common-law partner's, or eligible dependant's net income (line 23600 of their return or the amount it would be if they filed a return). Then complete the calculation above for either line 30300 or line 30400, whichever applies. Finally, complete the calculation for line 30425 on the next page.

If you cannot claim an amount on line 30425 of your return for an eligible dependant 18 years of age or older because you have a spouse or common-law partner, you still may be able to claim the Canada caregiver amount for other infirm dependants age 18 or older on line 30450 of your return. See line 30450 on the next page.

Only one claim can be made for this amount. You cannot split this amount with another person.

Continue on the next page.

Line 30425 – Canada caregiver amount for spouse or common-law partner, or your eligible dependant age 18 or older (continued)

Complete this calculation **only** if you entered \$2,273 on line 51090 or line 51100 of this schedule for a person whose **net income is between \$7,295 and \$24,361**.

Line 30450 – Canada caregiver amount for other infirm dependants age 18 or older (Attach a separate sheet if you need more space)

You can claim an amount for each dependent who meets all the following conditions. They:

- were dependent on you because of an impairment in physical or mental functions
- were 18 years of age or older
- were your or your spouse's or common-law partner's child, grandchild, parent, grandparent, brother, sister, aunt, uncle, niece, or nephew
- were a resident of Canada at any time in the year (but not a person who was only visiting you)
- had a net income (line 23600 of their return or the amount it would be if they filed a return) of less than \$24,361

You cannot claim an amount on line 30450 of your return for dependants who do not have an impairment in physical or mental functions, including a parent or grandparent. A parent includes someone on whom you were completely dependent and who had custody and control of you when you were under 19 years of age. Similarly, a child can include someone older than you who has become completely dependent on you for support and over whom you have custody and control.

If anyone (including you) is claiming an amount on line 30300 or on line 30400 of the return for the dependant, you cannot claim an amount on line 30450 of the return for that dependant.

If you had to make support payments for a child, you cannot claim an amount on line 30450 of your return for that child. However, if you were separated from your spouse or common-law partner for only part of 2020 because of a breakdown in your relationship, you may be able to claim an amount for that child on line 30450 of your return if you do not claim any support amounts paid to your spouse or common-law partner on line 22000 of your return. You can claim whichever is better for you.

The Canada Revenue Agency may ask for a signed statement from a medical practitioner indicating that the person is dependent on others because of this impairment in physical or mental functions, as well as the nature of the impairment, when it began, and how long it is expected to last.

Note

If you **and** another person support the **same** dependant, you can split the claim for that dependant. However, the total amount of your claim and the other person's claim cannot be more than the maximum amount allowed for that dependant.

Provide the requested information and complete the following calculation for each dependant.

Canada Pension Plan Contributions and Overpayment

The Canada Pension Plan (CPP) was amended to provide for the enhancement of pensions. The government of Quebec also adopted legislative amendments to enhance the Quebec Pension Plan (QPP) in a similar way to the federal plan. The enhancements are funded by additional enhanced contributions, which began in January 2019.

As an employee, your employer will already have deducted the contributions from your salary and wages. The contributions consist of a base and an enhanced amount. As a self-employed individual, you will calculate your required contributions (if any) on this schedule, which will include the base and the enhanced amounts.

Complete this schedule and attach it to your return to calculate your required Canada Pension Plan (CPP) contributions or overpayment for 2020 if you were a resident of a province or territory other than Quebec on December 31, 2020, and have no earned income from the province of Quebec.

Do not use this schedule if any of your T4 slips have Quebec Pension Plan (QPP) contributions. Instead complete Form RC381, Inter-Provincial Calculation for CPP and QPP Contributions and Overpayments for 2020.

- Part 1 Complete this part if you are electing to stop contributing to the CPP or revoking a prior election.
- Part 2 Complete this part to determine the number of months for the CPP contributions calculation.
- **Part 3** Complete this part if you are reporting employment income.
- Part 4 Complete this part if you are reporting only self-employment income or other earnings you are electing to pay CPP contributions on.
- Part 5 Complete this part if you are reporting employment income and self-employment income or other earnings you are electing to pay CPP contributions on. You must first complete Part 3.

For more information, see lines 22200, 22215, 30800, and 31000 in the guide.

Part 1 – Election to stop contributing to the Canada Pension Plan or revocation of a prior election

If in 2020 you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and you were required to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions.

If you have **employment income** for 2020 and elected in 2020 to stop paying CPP contributions or revoked in 2020 an election made in a prior year, you should have already completed Form CPT30, Election to Stop Contributing to the Canada Pension Plan or Revocation of a Prior Election, and sent it to us and your employer(s).

If you had only **self-employment income** for 2020 and elect in 2020 to stop paying CPP contributions on your self-employment earnings, enter the month in 2020 for which you choose to start this election in **box 50372** on the next page. The date cannot be earlier than the month you turn 65 and you are receiving a CPP or QPP retirement pension. For example, if you turn 65 in June, you can choose any month from June to December. If you choose the month of June, enter 06 in box 50372 because June is the sixth month of the year. If in 2020 you are revoking an election made in a prior year on contributions on self-employment earnings, enter the month in 2020 for which you choose to revoke this election in **box 50374** on the next page. Your election remains valid until you revoke it or you turn 70. If you start receiving employment income (other than employment income earned in Quebec) in a future year, you will have to complete Form CPT30 in that year for your election to remain valid.

If you had **both** employment income and self-employment income in 2020 and wanted to elect to stop paying CPP contributions in 2020, or to revoke in 2020 an election made in a prior year, you should have completed Form CPT30 in 2020. An election filed using Form CPT30 applies to all income from pensionable earnings, including self-employment earnings, as of the first day of the month after the date you gave this form to your employer. If you completed and submitted Form CPT30 when you became employed in 2020 but your intent was to elect in 2020 to stop paying CPP contributions or revoke an election made in a prior year on your self-employment income before you became employed, enter the month you want to stop contributing in **box 50372** on the next page, or if you want to revoke in 2020 an election made in a prior year, enter the month you want to resume contributing in **box 50374** on the next page. If you did not complete and submit Form CPT30 for 2020 when you became employed, you cannot elect to stop paying CPP contributions or revoke an election made in a prior year on your self-employment earnings for 2020 on this schedule.

Schedule 14

T1-2020

Climate Action Incentive

Protected B when completed

The climate action incentive (CAI) consists of a basic amount and a supplement for residents of small and rural communities.

You cannot claim the CAI if any of the following applies to you:

- you were a non-resident of Canada at any time in 2020
- you were confined to a prison or a similar institution for a period of at least 90 days during 2020
- you were exempt from income tax in Canada at any time in 2020 because you were an officer or servant of the government of another
 country, such as a diplomat, or a family member who resided with such a person, or an employee of such a person
- you were a person for whom a children's special allowance (CSA) was payable at any time in 2020

Note: If you are completing a return for a person who died before April 1, 2021, you **cannot** claim the CAI for that person for the 2020 tax year.

Complete this schedule and attach it to your return to claim the CAI if, on **December 31, 2020**, you were a **resident of Ontario** and you met **any** of the following conditions:

- you were 18 years of age or older
- · you had a spouse or a common-law partner
- · you were a parent who lived with your child

Note: If you were married or living in a common-law relationship but your spouse or common-law partner was not an **eligible spouse or common-law partner** for the purpose of the CAI or you did not have a **qualified dependant**, complete this schedule using the instructions as if you did not have an eligible spouse or common-law partner or a qualified dependant.

Definitions

- was a resident of Canada throughout 2020
- was not confined to a prison or a similar institution for a period of at least 90 days during 2020

- was not a person for whom a CSA was payable at any time in 2020
- did not die before April 1, 2021

Notes: Either you or your spouse or common-law partner may claim the CAI for the family, but not both of you.

Qualified dependant

For the purpose of the CAI, a qualified dependant is a person who meets all of the following conditions:
